Handbook of the Korean Language (Paperback)

By Bruce a McDonough

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.This book represents an effort of around five years of part-time research, study, and writing by the author. In addition to assembling and organizing large amounts of accurate - and current - information from nearly countless sources, Mr. McDonough has also striven to describe the Korean Language in clear, engaging prose. Although written with beginning and intermediate learners in mind, even advanced users should find this handy book quite useful. Some of this data is very hard to find in any reference source (in English, anyways) and this book is much more accessible than others written by native Korean authors, professional linguists, academics, and the like. Naturally, explaining a foreign language requires some grammar terminology. However, this has been minimized and all terms are clearly explained in simple language, and also defined in a convenient glossary at the beginning of the book. The Handbook is meant to be a solid introduction to the grammar and structure of the language, as well as a reference guide to be consulted as needed. Everything you should need is very clearly laid...
