

Electricity in Modern Life (Classic Reprint) (Paperback)

By George William De Tunzelmann B Sc

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Electricity in Modern Life In this little volume I have endeavoured to give a brief but intelligible and connected sketch of the more important of the numerous useful functions fulfilled by Electricity in modern daily life, the scientific principles underlying these practical applications, and the history of their development It is addressed primarily to readers who have no previous knowledge of the subject, but who wish to know something of what Electricity has been made to do for us, and of how it has been made to do it. I trust, however, that it may also be of some use to students who are just beginning the study of practical Electricity, by giving them a general view of - the field of knowledge which they will afterwards have to study in detail. I have to thank my friend, Professor Sylvanus P. Thompson, and his publishers, Messrs. Spon, for permission to use his excellent series of skeleton diagrams illustrating the principles of dynamo construction and regulation, together with some other illustrations from his Dynamo-Electric Machinery, a...
