A perfect text for high school drama teachers, Silverberg provides clear and easy to understand instruction to guide young actors toward simple, meaningful, authentic and passionately alive ways of working. He speaks directly to the teenage actors, guiding them step-by-step through the demanding and thrilling exercises of the Meisner Approach. In this workbook and acting journal wrapped in one, students keep a journal in which they define their desires and refine their skills of observation: learning to listen carefully to other people and pay keener attention to their own responses. Through dialogue work in pairs, young actors learn to engage immediately and directly with their partners. True acting develops through this increased sensitivity and fearless response to others.
