A new recipe, a new spice, or a new taste not only makes us crave for more, but results in mindless eating without even thinking how much harm the food will do to us and to our digestive system. The result of which has been obesity and a number of diseases. Beyond this, the researchers and nutritionists have been following some simple tips and tricks and exercises, which not only help us enjoy all the flavors of the food, but also help us in controlling our portion size and motivating us to eat in a proper manner. The following eBook helps...
