## ROTH UNBOUND: A WRITER AND HIS BOOKS

DOWNLOAD

Farrar, Straus and Giroux, 2013. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Praise for Roth Unbound : " Roth Unbound is filled with intelligent readings and smart judgments. Because of the author's sympathy and sharp mind, it offers real insight into the creative process itself, and into Philip Roth's high calling as a great American artist. The book is, in some ways, a radical rereading of Roth's life and his work. It is impossible, by the end, not to feel a tender admiration for Roth as a novelist and indeed for Claudia Roth Pierpont as an empathetic and brilliant critic." Colm Tibn "In this brilliant, sympathetic, and often witty full-length study of our Kafka domesticus, Claudia Roth Pierpont weaves together Philip Roth's life, his extraordinary fictions, and the cultural climate to which he fiercely responded. As Pierpont tracks Roth's perilous journey, a man of many exhilarations and miseries, of outrageous contradictions and infinite variety, emerges intact and triumphant as a complete human being and artist. I can't imagine any study that will give greater pleasure to Roth's many intimate companions, his readers." David Denby "A virtuoso in the disappearing art of literary appreciation, Claudia Roth Pierpont practically inhabits Philip Roth's novels. Roth's work demands smart and candid appraisals, so he should count himself a lucky man to have Pierpont as a critic. She's got hold of the goods and she delivers them beautifully." Sean Wilentz "Something of a cubist yet seamless portrait not a standard biography, but a deep immersion in Roth from all angles, even the unexpected ones, using every technique available, in order to know his thoughts, his history, the books, his world, and the times in which he lives. This is a remarkable achievement in literary criticism." Jimmy So, The Daily...
