*****.The author s third book offers new creative, effective, and

fun ways for students to develop skills related to the Common

Core State Standards. The book includes 30 ready-to-go

activities that are standards-based and/or support skill

development of the English Language Arts Standards as

determined by the Common Core State Standards Initiative.

Many of these activities may be repeated throughout the

school year as they are developing skills that students should

continually practice. Understanding the many hats that today s

teachers wear, the author has made this book extremely user-

friendly. The activities, explained in the introduction, are ready

for immediate use in the classroom. Student activities include

making and supporting claims in creative ways, challenging

peers in a special edition of Four Square, completing road sign

inspired worksheets and graphic organizers, flipping coins,

rolling dice, and more. This book is a great resource by an

educator familiar with Common Core. At around 50 cents per

activity, this is truly a great value! A special bonus section

includes activities from the author s first two books.
