Brand New Book ***** Print on Demand *****.Excerpt from Extracts From the Report of the Commissioner of Education, Washington, 1916, Regarding Vocational Education, Etc The report of the Commissioner of Education, Washington, for the year ended June 30th, 1916, contains some chapters which are of particular interest in India at a time when much is heard about the future of vocational education and when the Government of India have just distributed an imperial allotment for purposes of technical and agricultural instruction. The report (volume I) contains 692 pages and, treating as it does of a variety of problems fascinating to the educationist, deserves a wide dissemination. There are likely, however, to be many to whom it will not be available and some whose interest will be confined to certain of its chapters. I therefore thought it would be useful to republish certain extracts from it, connected by brief summaries. The inconveniences of such a method of reproduction have been described in the preface to Pamphlet No. 3. But here, as there, it was deemed better to risk them than to reprint whole chapters, portions...
