Cengage Learning, Inc. Mixed media product. Book Condition: new. BRAND NEW, Radiologic Technology at a Glance, Theresa Reid-Paul, "Radiologic Technology at a Glance, 1st Edition" is an essential part of your student's journey from the classroom to the professional environment. Aligned with the five major content categories of the national ARRT exam, the text is designed to help clarify and explain imaging concepts and theories critical to the imaging profession. The user-friendly format promotes critical thinking and reinforces retention of material. Each chapter provides learning objectives, an overview of the concept, discussion of important terminology, formulas, and imaging practice, and includes hundreds of tables and illustrations. Practice exercises like matching, critical thinking, and retention of material exercises help reinforce major concepts and identify areas where more review may be needed. Accompanying software offers additional practice, including exam style review questions and a comprehensive audio pronunciation library. By encouraging your student to bring this text to class, use it as test preparation, and carry it on the job, you will find that "Radiologic Technology at a Glance" clarifies and reinforces understanding of critical concepts related to the imaging profession.
