Avid Readers Publishing Group, United States, 2010. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.GOLD AND GLORY The second volume of the Mercenaries series After a long winter of training and reorganization, the Pelicans Mercenary Regiment marches out of obscure Ironport to look for a contract, its inexperienced commander wondering if she is up to the job for which she was so unexpectedly chosen. There is indeed work available for sharp halberds and accurate bows, and not just locally, as the slowly-approaching storm takes more definite shape. GOLD AND GLORY continues the series of which STORM APPROACHING was the first. . . Storm Approaching is an incredibly self-assured novel, an excellent example of what can still be done in fantasy without using anything that is expected from the genre. Storm Approaching deserves to be on shelves everywhere. Dave Brendon Reviews Chosen as one of the Top Fifteen Books for 2009 by Luke Reviews: I cannot wait to find out what happens to Andriel and company. Honorable Mention in the Genre Fiction category of the Writer s Digest 2009 Self-Published Book Awards. . . imaginative, well written, and thoroughly engaging. It deserves a wider readership. An enjoyable, intelligent read. A fantasy novel free from the usual cliches. Highly recommended. Midwest Book Review.
