An electrifying mix of speed, heart, and competitive drive, to say Iverson was exciting is an understatement. The offensive spark on a defensive-minded team, Iverson and the 76ers went on to unite a city, a nation, and ultimately, the entire sport of basketball with their attitude and hustle-laden game. Told from the point of view of a teenager caught up in the moment, this exciting novel relives the thrilling and unforgettable 2000-01 season that led to a David versus Goliath matchup against the Lakers that still has sports fans talking over a decade later. With its easy style and common fan approach, *The 76ers with Iverson* highlights the growing connection between the team and the city and the emergence of the team as a part of the fans' lives. Appreciation, admiration, and excitement abound...
