Purchasers can download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1919 Excerpt: . as a sort of placebo or suggestive influence in conditions entirely unsuited to derive benefits from this therapeutic measure. In conse IT BATHS, ETC. quence of this ignorant handling of radiant energy by irresponsible individuals the electric light bath is looked upon in many quarters with suspicion by the medical profession. There are many pathological conditions which are best treated by physical agencies of which the light bath is a potent member, but it requires a sound knowledge of their physiological action and a willingness to devote the time, energy and proper technique in their employment if good results are to be anticipated from this as from any other therapeutic agent. 1127 Commonwealth Ave. AMERICAN DOCTOR KILLED IN BEIRUT. Major Edward Kent Armstrong of Cape May, N. J., who has been engaged in relief work for the American Red Cross in the Holy Land, was...
