Summary: "Unsworth is one of the best historical novelists on either side of the Atlantic, and in both Sacred Hunger and The Quality of Mercy his vast knowledge of 18th-century social and material conditions creates a rich and strange rendering of daily life that's utterly persuasive." - The New York Times Book Review "Told with bite and freshness. Unsworth, one of the most ingenious and varied of today's British writers, makes his scenes not just vivid but microscopically vivid - we see not only their visible life but the invisible life that pulsates beneath. But what may be more remarkable is the creative subversion he works in his characters. . . . [ The Quality of Mercy ] is another engaging demonstration of the talent that's made Unsworth one of the very few writers to appear on the Booker shortlist three times. His sentences recall the sharp detail, moral sensitivity and ready wit of Charles Dickens. But his sense of the lumbering, uneven gait of social progress is more sophisticated, more tempered, one might say, by history." - The Washington Post "Deeply moving. . . . Unsworth brings his characters together with authority and grace. As with all of his historical novels, he conveys the sights, sounds and smells of life in another century without the slightest hint of pedantry." - The Wall Street Journal "Reading Barry Unsworth, one immediately feel secure in...
