***** ARBI and the Treasure Chest is the second book of ARBI s Augmented Reality Books collection for children. The Characters come alive with your Smartphone or Tablet! They did it again! Another great Augmented Reality book for children! ARBI and the Treasure Chest brings characters alive one more time on the book! They have added Background Music which enhances the user experience while interacting with the book! Well done! I love this book. Love it. Absolutely love it. The combination of a cute story that teaches a lesson and holds a child s interest, mixed with the Augmented Reality app is something completely different for Kids .
