BRAND NEW, The Beatles Guitar, Beatles, This unique publication contains 52 favorite Beatles songs arranged exclusively for the guitar. It is designed to provide an accurate look into the lead and rhythm guitar styles of George Harrison and John Lennon. Instead of providing transcriptions of the guitars off the record, these arrangements use the musical elements of the bass, drums, keyboards and guitars all incorporated into one guitar so that they can be played alone or in a band. Written in tablature, this book also provides numbers, strums, accents and picking patterns for those who do not read music.
