Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.High school Senior Alexzandra doesn't really know what to do with her life. She's applying to colleges as she is expected to do - until she receives a mysterious cell phone text message. The text claims that going to college straight from high school is NTOW (not the only way) for her to achieve financial security reach her dream of studying in Hawaii making a difference in the world. Alex's family is about to have their secure life shaken - and following the advice of the unknown Texter might be the only way for them to hold onto the life they know. Is network marketing a realistic plan for two professionals and their teenage daughter? If Alex's text angel is right, it may be their best option. Told in the parable style of the great Og Mandino, **Passive Income 101** reveals: * What to look for in a home-based business. * The potential of network marketing. * The importance of cash flow. * How to create easily duplicated systems. * Methods for addressing people afraid of Get Rich Quick Scams Pyramid Schemes. If Alex can do it, why can't you? * * * Most people don't even question spending \$60,000-\$100,000 for a college degree. They will even take out loans to attain one. And there are no guarantees of anything but a piece of paper called a diploma. Take a look at the bank account of the average college graduate after working for 40 years. It's grim. Sandy's story is the fictional account of a family that discovers an option that is becoming much more widely accepted. But it s...
