

Hard Road West: History and Geology Along the Gold Rush Trail

By Keith Heyer Meldahl

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, Hard Road West: History and Geology Along the Gold Rush Trail, Keith Heyer Meldahl, In 1849, news of the discovery of gold in California triggered an enormous wave of emigration toward the Pacific. Lured by the promise of riches, thousands of settlers left behind the forests, rain, and fertile soil of the eastern United States in favor of the rough-hewn lands of the American West. The dramatic terrain they struggled to cross is so familiar to us now that it is hard to imagine how frightening - even godforsaken - its sheer rock faces and barren deserts seemed to our forebears. "Hard Road West" brings their perspective vividly to life, weaving together the epic overland journey of the covered wagon trains and the compelling story of the landscape they encountered. Taking readers along the 2,000-mile California Trail, Keith Heyer Meldahl uses the diaries and letters of the settlers themselves - as well as the countless hours he has spent following the trail - to reveal how the geology and geography of the West directly affected our nation's westward expansion. He guides us through a corrugated landscape of sawtooth mountains, following...
